

## **Shower Rod Care Instructions**

**In order to maintain the high-quality finish of our products, please adhere to the following product care instructions:**

**Wipe products down with a dry or lightly dampened soft cloth.**

**Do NOT clean with abrasive materials and/or chemicals. Damage from water or water quality is not covered.**

**We reserve the right to determine whether damage was caused by improper care, cleaning, or maintenance.**

**Please note: Your product warranty may not be valid if the above cleaning guidelines are not followed.**
